President & CEO  
Slateboard Software Inc.

Dear Rob,

I just wanted to take a minute and thank you for the hands on support that your organization provided to Maaco. The application modifications that we requested were performed with a true willingness to give the customer exactly what they wanted. I believe that those enhancements will provide value to your other customers as well. The program application is currently being used to provide floor planning to three automotive dealerships. I would be very comfortable being a reference to Slateboard if ever the opportunity arose.

Thanks again,
